Sir:

The undersigned recently noticed an IDS filed September 8, 2004, inadvertently incorrectly stated its references were cited in an International Search Report (copy enclosed) in a corresponding International Application. Its certification in fulfillment of 37 CFR 1.97(e)(2), correctly certified that no item of information contained in the Information Disclosure Statement was cited in a communication from a foreign patent office in a counterpart foreign application or, to the knowledge of the person signing the certification after making reasonable inquiry, was known to any individual designated in §1.56(c) more than three months prior to the filing of this statement.

Respectfully submitted,
